2640 Cindi St., Bekkeresdal, Rand West City

### About Me

My eagerness to learn technologies lead me to CodeSpace Academy. As a recent graduate from CodeSpace Academy, I completed a Front-End Development course and I'm proficient in JavaScript, Vue.js, HTML, CSS, PHP and Bootstrap. My studies have prepared me to be able to learn rapidly and I am committed to learning new technologies and languages.

### Personal Details

#### Date of Birth

20-07-1994

#### Nationality

South Africa

#### Marital Status

Single

#### Criminal record

none

### Projects & Experience

#### Front-End-Development Student projects

2022

##### CodeSpace Academy

- I built digital resume that portrays my skills and experience, Built with HTML, CSS & JavaScript. Deployed on GitHub pages. Keketso's Resume ([shakes224.github.io](https://shakes224.github.io))
- To-do App  
Built with HTML, CSS & JavaScript.  
Deployment link To-Do ([euphonious-alfajores-e4d804.netlify.app](https://euphonious-alfajores-e4d804.netlify.app))
- API-Podcast project  
Built with HTML, CSS & JavaScript.  
Deployment link Podcast Project ([musical-florentine-2abe08.netlify.app](https://musical-florentine-2abe08.netlify.app))

##### Feenix Student Ambassador

2021 - 2022

#### Volunteer Feenix Student Ambassador

Feenix.org is an online crowd-funding organization that helps students throughout the 26 public Universities of South African create an online profile to raise funds so that they can graduate debt free. Ambassador roles

- Created and maintained online presence for Feenix, sharing weekly Q & A's about the Feenix community
- Helping my peers create their own Feenix profiles to start fundraising for their tuition and outstanding debts

### Education

#### Front-End-Development

2022

##### CodeSpace Academy

At CodeSpace I learned backend and frontend web development to create dynamic web applications. I built real-life coding projects, including a to-do app, and a digital resume. Tools & Languages include Visual Studio Code, GitHub, Git, Slack, HTML, CSS, JavaScript, Bootstrap, Vue.js, and PHP.

#### Bachelor of Science in computer Sciences & statistics
